NOTIFICATION.

No. 345—*L. C., dated 25th April* 1919.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council, the following Report of the Select Committee on the Bill further to amend the Mysore Legal Practitioners' Regulation, 1884, is published for general information.

By Order,
P. MAHADEVAYYA,
Secretary, Mysore Legislative Council.

Report of the Select Committee on the Bill further to amend the Mysore Legal Practitioners' Regulation, 1884.

The provisions of the Bill further to amend the Mysore Legal Practitioners' Regulation, 1884, have been taken into consideration by the Select Committee, who have no alterations to suggest therein.

The desirability of having a separate class of legal practitioners empowered solely to practise in Criminal Courts was suggested by Mr. Karnick Krishnamurti Rao; but as this proposal, if accepted, will involve the creation of an altogether new class of Pleaders, whereas the object of the present amending Bill is to abolish the existing division of Pleaders into two classes, the Committee is of opinion that the proposal cannot be conveniently dealt with in connection with the Bill. They would however recommend that the time limit of two years fixed in para 5 of the Government Order of 22nd October 1917 for enabling qualified persons to become second grade pleaders may be extended by another three years, in order to allow of a sufficient number of persons to so enrol themselves.

Report of the Select Committee on the Bill further to amend the Madras Legal Practitioners Regulation 1884

The provisions of the Bill to further to amend the Mad. Legal Pr. Regn., 1884 have been fully considered by the Select Committee, who have no alterations to suggest therein.

The desirability of having a separate class of legal practitioners empowered only to practise in Civil Courts was raised by Mr Kamala Krishnamurthi, but as this proposal, if accepted, would involve the creation of an altogether new class of pleaders, whereas the object of the present amending Bill is to abolish the existing distinct class of pleaders while the Committee is of opinion that the proposal cannot be conveniently dealt with in connection with the Bill. They would however recommend that the Government of India be addressed in favour of the first order of Sec. 9 (1) for enabling qualified persons to become Legal Practitioners without having graduated in Arts, by which time it is hoped that
